

SUNDAY WORSHIP

AT MCLEAN PRESBYTERIAN

It's our mission to make disciples who make a difference.

For those who don't know Jesus, this world is as close to heaven as they'll ever come. But the gospel gives more – more in this life and in the next. We want to share gospel grace with others and reflect deeply on it so our own faith matures.

To continue in this mission, this fall, worship will be at 9AM, 10:45AM & 5:15PM, with morning services in both the Sanctuary and the Fellowship Hall. This will enable us both to reach more people on our campus and to simplify our Sunday schedule, making it easier for you and your family to participate in our discipleship ministries.*

FAQs

Why are we doing this? We're trying something new in order to reach new people with the gospel. In the process we're also simplifying our ministry schedule to make it easier for our people to connect to our discipleship ministries.

How can I help? We're asking all our members to do three things: 1) Consider committing to the Fellowship Hall for one year. If you're not ready to do this, commit to attending the Fellowship Hall 1x per month. 2) Commit to one service opportunity for the coming year. 3) Invite your friends to join us.

What will the Fellowship Hall worship service be like? Very similar to the Sanctuary. We'll follow the same liturgy and sing the same songs. Instrumentation will be slightly different (e.g., no organ or choir). The space also lends itself to a more intimate feel; coffee and snacks will be provided.

Who will lead the Fellowship Hall service? Jeff Vogan and an additional worship leader (working under Jeff's supervision) will rotate between the Sanctuary and the Fellowship Hall services. Similarly our pastors will rotate through both locations to lead the liturgy. Whichever location you choose, you'll continue to see the leaders you've been familiar with.

Will all aspects of worship be included in the Fellowship Hall? Will anything be video streamed in addition to the sermon? The sermon is the only element of the service that will be video streamed. All other aspects of the worship service will be live – worship, prayers, testimonies, baptisms, Communion, new members, etc.

What will be held at Cooper? How will parking and shuttles be handled? In addition to adult education, Jr. High ministries (10:45AM, 5PM) will be at Cooper. We have sufficient parking spaces, with more options available as needed; we also have additional shuttles. Other logistics – maps, signage, security, etc. – will be addressed in the coming weeks. Special care is being taken to make sure we have the proper resources and transportation to accommodate our Senior Saints.

So we're continuing the 5:15PM evening service? Yes! In fact we're redoubling our commitment to it! The ministries that support this service (e.g., Children's Ministry, Adult Ed, etc.) have been expanded and scheduled to make it feasible for families to make this the only service they attend.

What's the does this look like long-term? We plan to continue this model long-term. We'll learn a lot over the next year or so, which will help us determine whether we should start a site in a different location. In the meantime, we're also considering the facility changes necessary to accommodate all our ministries on our main campus.
