

## **SERMON DISCUSSION QUESTIONS**

**James Forsyth – 1 Samuel 18:1-16**  
**David & Saul | February 11, 2018**

1. James said, “Envy had the power to take Lucifer out of heaven, Adam & Eve out of the garden, and Saul out of the kingdom.” How/why is it that envy is/can be so destructive?
2. Do you find yourself unhappy with the life that you have?
3. Who are you most often envious of? (James encouraged us to be bold enough to have an answer to this question).
4. It was stated that envy has four impacts:
  1. It makes you unhappy with the life you have.
  2. It makes you unhappy when others rejoice.
  3. It ruins relationships
  4. It makes you crazy.
    - In what ways do you notice these truths in your own life?
5. The solution to envy is trusting in the Lord by looking to Christ who gave up everything for us. How can you more regularly set your mind on Jesus to fight against envy?
